

Using Technology to Review Your IFR Flights A Guide for CFIs Students and Pilots

Learn from a Master CFI how using technology to debrief your IFR flights afterward can make you a much better pilot. Every pilot, AND INSTRUCTOR, can learn these simple ways to look back at a flight and see what went right, wrong and areas to improve. A highly beneficial class for every pilot and CFI.

Directions: CFAA(Central Florida Aerospace Academy) is inside SunNFun at Lakeland Airport. The building is located at the corner of Medulla Rd and Peggy Brown Rd. near the main entrance. The class is free but requires admission to SunNFun. For more information please visit <http://www.sun-n-fun.org>

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
